# ABOUT THE KIWANIS CLUB OF WASHINGTON, DC

**Serving the children of the world.**

Chartered in 1917, this still vibrant and important Washington club will celebrate 95 years of community service in 2012. With members from all over the DC metropolitan area, ranging in age from 23 to 95, we develop and manage programs that reach out to children and the elderly in need. We have a long tradition of fellowship among our members from baseball games during the summer to restaurant socials.

Our club will enable you to make new friends, network with business leaders and give back to your community. Throughout our 95 years as a club, we have established and run an Orthopedic clinic for less fortunate disabled children; host and fund a Youth Leadership Scholarship program for DC public high school students; host picnics at local nursing homes, organize a holiday party at Sharpe Health School, run a "Pet-A-Pet" outing for physically challenged and sight impaired children, along with many other events throughout the year that bring smiles to the faces of those disadvantaged in our community.

Join our club as we plan and implement projects that serve our community, and enjoy old and new friends.
